

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Juan Hu
DOCKET NO.: 17-21235.001-R-1
PARCEL NO.: 02-28-400-053-0000

The parties of record before the Property Tax Appeal Board are Juan Hu, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,752
IMPR.: \$35,148
TOTAL: \$40,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 10,005 square foot parcel of land improved with a 37-year old, two-story, frame, single-family dwelling containing approximately 2,672 square feet of building area. The property is located in Palatine Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparables. These properties are described as one or two-story, frame, single-family dwellings. They range in age from 37 to 45 years and in size from 2,281 to 2,921 square feet of building area. These comparables sold from March 2016 to June 2017 for prices ranging from \$131.38 to \$214.82 per square foot of building area. The appellant's evidence also lists the sale of the subject in November 2016 for \$153.07 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,900 which reflects a market value of \$409,000 or \$153.07 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted four comparables with market value data on one of these comparables. These properties are described as two-story, frame, single-family dwellings. They range in age from 30 to 32 years and in size from 2,527 to 3,248 square feet of building area. Comparables #4 sold February 2015 for \$171.01 per square foot of building area. The board of review also listed the sale of the subject in November 2016 for \$153.07 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the sale of the subject in November 2016 for \$153.07 per square foot of living area and that the subject's assessment reflects the sale price. The board further finds that the comparables' sold for prices ranging from \$131.38 to \$214.82 per square foot of building area. In comparison, the appellant's sale price and assessment market value of \$153.07 per square foot of building area is within the range of the comparables in the record. Therefore, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
