

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Goldberg  
DOCKET NO.: 17-21349.001-R-1  
PARCEL NO.: 05-20-313-013-0000

The parties of record before the Property Tax Appeal Board are David Goldberg, the appellant, by attorney Scott L. David, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$26,349  
**IMPR.:** \$68,651  
**TOTAL:** \$95,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame and masonry construction with 3,962 square feet of living area.<sup>1</sup> The dwelling is 59 years old having been built in 1958. Features of the home include a full finished basement, central air conditioning, two fireplaces and a 2-car garage. The property has a 18,172 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property has a market value of \$950,000 as of January 1, 2016.

---

<sup>1</sup> The Board finds the subject is a 1.5-story dwelling based on the photographic evidence in the record.

The appellant's appraisal was completed using the sales comparison approach to value property in estimating a market value for the subject property. The appellant's appraisal contained information on four comparable properties that are located in Winnetka. The comparables sold from January 2016 to February 2017 for prices ranging from \$800,000 to \$906,000 or from \$238.54 to \$242.44 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's assessment be reduced to \$95,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,632. The subject's assessment reflects a market value of \$1,006,320 or \$253.99 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Winnetka. The comparables sold from May 2014 to November 2016 for prices ranging from \$560,000 to \$1,505,000 or from \$252.94 to \$397.52 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property has a market value of \$950,000 as of January 1, 2016. The Board recognizes that the appraisal's effective date occurred 1-year prior to the January 1, 2017 assessment date at issue. However, the Board gives less weight to the board of review's comparable sales due to their significantly smaller sizes and/or their sale dates occurring greater than 18 months prior to the January 1, 2017 assessment date at issue. The subject's assessment reflects a market value of \$1,006,320 or \$253.99 per square foot of living area, including land, which is above the appraised value. Based on the evidence in this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
