

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Audrey Doshi
DOCKET NO.: 17-21540.001-R-1
PARCEL NO.: 22-34-300-031-0000

The parties of record before the Property Tax Appeal Board are Audrey Doshi, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,385
IMPR.: \$73,200
TOTAL: \$81,585

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction containing 5,000 square feet of living area. The dwelling is 27 years old. The property has a 67,082 square foot site and is located in Lemont Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables. These comparables are located from .9 miles away from the subject to 4.1 miles away from the subject property and range in age from 16 to 29 years old and contain from 5,155 to 5,376 square feet of living area. Only comparables #4, #5, and #6 are located in the same neighborhood as the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,585. The subject property has an improvement assessment of

\$73,200 or \$14.64 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Two of the comparables are located on the same block as the subject property, one is one-quarter mile away and the other is in the subject's neighborhood. Only comparables #1, #2, and #3 are located in the same neighborhood as the subject. The comparables range in age from 21 to 36 years old and contain from 4,933 to 5,767 square feet of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$14.74 to \$20.17 per square foot of living area. The subject's improvement assessment of \$14.64 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
