

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Glinke
DOCKET NO.: 17-21673.001-R-1
PARCEL NO.: 15-12-110-041-0000

The parties of record before the Property Tax Appeal Board are Steve Glinke, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,046
IMPR.: \$31,659
TOTAL: \$39,705

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of stucco exterior construction with 1,215 square feet of living area. The dwelling is approximately 105 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a three-car garage. The property has a 7,850 square foot site and is located in River Forest, River Forest Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement. In support of this argument, the appellant submitted information on five equity comparables located in the same neighborhood code as the subject. The comparables consist of class 2-03 one-story dwellings of stucco, masonry or frame and masonry exterior construction. The homes range in age from 57 to 94 years old and range in size from 1,107 to 1,501 square feet

of living area. Each dwelling has either a full or partial basement, one of which has a formal recreation room. Two dwellings each have central air conditioning. Two of the comparables each feature a fireplace and each comparable has from a one-car to a two-car garage. The comparables have improvement assessments ranging from \$23,513 to \$33,834 or from \$20.43 to \$23.23 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$24,822 or \$20.43 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,705. The subject property has an improvement assessment of \$31,659 or \$26.06 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code as the subject. The comparables consist of either 1-story or 1.5-story class 2-03 dwellings of stucco or frame exterior construction. The homes range in age from 93 to 99 years old and range in size from 1,102 to 1,496 square feet of living area. Each dwelling has a full basement, two of which have formal recreation rooms. Three of the comparables each have central air conditioning. Two of the homes each feature a fireplace and each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$31,353 to \$40,868 or from \$26.64 to \$29.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1, #3 and #4 due to their newer ages when compared to the 105-year-old subject dwelling. The Board has given reduced weight to board of review comparable #3 which is both a 1.5-story dwelling and has a finished basement that is superior to the subject's one-story dwelling with an unfinished basement.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #5 along with board of review comparables #1, #2 and #4 which are similar to the subject in location, class, age and some features. These comparables had improvement assessments ranging from \$23,513 to \$40,868 or from \$21.24 to \$28.45 per square foot of living area. The subject's improvement assessment of \$31,659 or \$26.06 per square foot of living area falls within the range of the best comparables in this record both in terms of overall improvement assessment and on a per-square-foot basis. Based on this record and after considering adjustments to the

five best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
