

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derek Ferguson  
DOCKET NO.: 17-21849.001-R-1  
PARCEL NO.: 05-08-100-011-0000

The parties of record before the Property Tax Appeal Board are Derek Ferguson, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,614  
**IMPR.:** \$104,386  
**TOTAL:** \$136,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 14,370 square foot parcel of land improved with a 101-year old, two-story, frame and masonry, single-family dwelling containing 5,136 square feet of building area. The property is located in Glencoe, New Trier Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables. The properties are described as two-story, frame or stucco or masonry, single-family dwellings. They range: in age from 45 to 118 years; in size from 5,046 to 5,269 square foot of building area; and in improvement assessment from \$25.50 to \$29.63 per square foot of building area.

The appellant also lists an appeal for the subject for the prior year. The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 16-20778.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$136,000 based on the sale of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$190,779 with an improvement assessment of \$159,165 or \$30.99 per square foot of building area.

In support of the current assessment, the board of review submitted four comparables. The properties are described as two-story, masonry or stucco or frame and masonry, single-family dwellings. They range: in age from 78 to 97 years; in size from 5,140 to 9,342 square foot of building area; and in improvement assessment from \$33.05 to \$35.18 per square foot of building area.

### **Conclusion of Law**

The appellant raised an equity argument, but the Board must consider the assessment of the subject property as established by the Property Tax Appeal Board for the 2016 tax year and if it should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2016 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed a 2016 appeal. The Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2016 tax year. The 2016 and 2017 are within the same general assessment period. The record contains no evidence indicating the subject property is not owner-occupied, sold in an arm's length transaction after the Board's decision, or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to

reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
