

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Walker  
DOCKET NO.: 17-21876.001-R-1  
PARCEL NO.: 16-18-208-008-0000

The parties of record before the Property Tax Appeal Board are David Walker, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,365  
**IMPR.:** \$40,891  
**TOTAL:** \$47,256

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, frame, single-family home with 1,635 square feet of living area. The dwelling is approximately 124 years old. The property has a 7,073 square foot site and is located in Oak Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant also indicated that property characteristics including the subject's number of bathrooms and fireplaces were overstated.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,256. The subject property has an improvement assessment of \$40,891 or \$25.01 per square foot of living area. In support of its contention of the correct

assessment, the board of review submitted information on four equity comparables, one of which reflected sale data.

In written rebuttal, the appellant analyzed all comparables as compared to the subject property, and submitted a printout analyzing 130 houses in his neighborhood.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially, the Board gives no weight to the appellant's comparables submitted on rebuttal pursuant to Section 1910.66 (c), which states:

"Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence."

The Board finds the best evidence of assessment equity to be the appellant's comparables(s) #1 through #4, as well as the board of review's comparable(s) #1 through #4, as they are all similar to the subject property in size, location and amenities. These comparables had improvement assessments that ranged from \$20.00 to \$26.54 per square foot of living area. The subject's improvement assessment of \$25.01 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

As a final note, property characteristics must be updated at the Cook County Assessor's office.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
