

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Murphy
DOCKET NO.: 17-21880.001-R-1
PARCEL NO.: 22-28-113-059-0000

The parties of record before the Property Tax Appeal Board are Kathleen Murphy, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,078
IMPR.: \$47,816
TOTAL: \$52,894

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 2,173 square feet of living area. The dwelling is four years old. The property has a 8,833 square foot site and is located in Lemont Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted information evidence showing the property sold on April 29, 2016 for \$528,936. This evidence included a copy of the settlement statement and other closing documents.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,150. The subject's assessment reflects a market value of \$541,500 or \$249.19 per square foot of living area, including land, when applying the level of

assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment the board of review submitted information on one equity comparable with sale information for it.

In rebuttal, the appellant argued that the board of review's comparables should be given no weight because they were based on raw, unadjusted data, and because they were dissimilar to the subject as to various key property characteristics. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on April 29, 2016 for a price of \$528,936. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment and the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$528,936 as of January 1, 2016. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
