

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth & Edgar DeVries  
DOCKET NO.: 17-21881.001-R-1  
PARCEL NO.: 28-02-427-008-0000

The parties of record before the Property Tax Appeal Board are Kenneth & Edgar DeVries, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$700  
**IMPR.:** \$2,300  
**TOTAL:** \$3,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,000 square foot parcel of land improved with an approximately 56-year old, one, frame, single-family dwelling containing 1,100 square feet of building area. The property is located in Bremen Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$30,000 as of January 1, 2017. The appellant also includes the multiple listing sheet database (MLS) printout show the sale of the subject in October 2015 for \$17,100. The appellants request a reduction to reflect the subject's appraisal value. There is no evidence as to the subject's occupancy.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,378. The subject's assessment reflects a market value of \$53,780 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. In support of the assessment the board of review submitted three sales/equity comparables.

In rebuttal, the appellant submitted a letter addressing the evidence and included an additional copy of the appraisal.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$30,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10% shall apply. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
