

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Brittingham  
DOCKET NO.: 17-22578.001-R-1  
PARCEL NO.: 05-20-400-061-0000

The parties of record before the Property Tax Appeal Board are James Brittingham, the appellant(s), by attorney William J. Davy, of the Law Offices of William J. Davy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,873  
**IMPR.:** \$400,000  
**TOTAL:** \$465,873

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a four-year-old, two-story, building of frame construction containing 11,789 square feet of gross building area. Features of the subject include a partial crawl space, central air conditioning, five fireplaces and a four-car garage. The property is situated on 57,281 square feet of land in Winnetka, New Trier Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$537,315. The subject property has an improvement assessment of \$471,442, or \$39.99 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparable properties.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1, #2 and #3. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$31.46 to \$34.73 per square foot of living area. The subject's improvement assessment of \$39.99 per square foot of gross building area falls above the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
