

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Busscher
DOCKET NO.: 17-22742.001-R-1
PARCEL NO.: 05-21-410-018-0000

The parties of record before the Property Tax Appeal Board are Richard Busscher, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,525
IMPR.: \$75,630
TOTAL: \$94,155

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,092 square feet of living area. The dwelling is approximately 91 years old. Features of the home include a partial unfinished basement, central air conditioning, two fireplaces and a 1.5-car garage. The property has a 9,500 square foot site located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,646 to 3,371 square feet of living area. The comparables range in age

from 90 to 99 years old. Each comparable has an unfinished basement, one fireplace and a 2-car garage. Two comparables have central air conditioning. The comparables have improvement assessments ranging from \$47,668 to \$77,025 or from \$18.02 to \$22.85 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$63,788 or \$20.63 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,155. The subject property has an improvement assessment of \$75,630 or \$24.46 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame, masonry or stucco exterior construction ranging in size from 3,100 to 3,255 square feet of living area. The comparables range in age from 91 to 96 years old. Each comparable has a basement with one having finished area. Three comparables have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$83,936 to \$95,478 or from \$26.23 to \$29.39 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 due to its smaller dwelling size and the board of review's comparable #3 due to its finished basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3 and the board of review's comparables #1, #2 and #4 as they are similar to the subject property in location, design, age, dwelling size and features. These comparables have improvement assessments ranging from \$67,230 to \$95,478 or from \$21.04 to \$29.39 per square foot of living area. The subject's improvement assessment of \$75,630 or \$24.46 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the

parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
