

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ivan Fernandez
DOCKET NO.: 17-22869.001-R-1
PARCEL NO.: 05-17-202-030-0000

The parties of record before the Property Tax Appeal Board are Ivan Fernandez, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,144
IMPR.: \$92,443
TOTAL: \$128,587

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 5,088 square feet of living area. The dwelling is approximately 62 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a two-car garage. The property has a 20,080 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant through counsel contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code as the subject. The comparables were improved with 1.5-story dwellings¹ of frame and masonry or masonry

¹ Appellant listed comparable properties 2-04 in design instead of story height. The Board finds that according to the Cook County Real Property Assessment Classification Ordinance 2-04 is defined as a 1.5 to 1.9 story dwelling.

exterior construction that range in age from 58 to 62 years old. Each comparable has a basement with one comparable having finished area, central air conditioning, one fireplace, and a two-car garage. The dwellings range in size from 2,455 to 4,229 square feet of living area and have improvement assessments ranging from \$35,747 to \$67,925 or \$14.56 or \$16.06 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$79,169 or \$15.56 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,587. The subject property has an improvement assessment of \$92,443 or \$18.17 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables. The board of review reported that the comparables are in the same neighborhood as the subject. The comparables were improved with one, 1-story dwelling and two, 1.5-story dwellings of frame and masonry or masonry exterior construction that range in size from 3,629 to 4,497 square feet of living area and range in age from 60 to 104 years old. Each comparable has a basement with one comparable having finished area, central air conditioning, one to three fireplaces, and a two-car garage. The comparables have improvement assessments that ranged from \$69,677 to \$117,034 or from \$19.20 to \$26.02 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board finds that none of the comparables submitted were sufficiently similar to the subject property. The Board gave less weight to the appellants comparables #1 and #3 due to their smaller dwelling size when compared to the subject. The Board gave less weight to the board of reviews comparable #2 due to the dissimilar design.

The Board finds the best evidence of equity to be the remaining comparables. The comparables have varying degrees of similarities when compared to the subject in location, design and some features. The comparables have improvement assessments that range from \$67,925 to \$117,034 or from \$16.05 to \$26.02 per square foot of living area. The subject property has an improvement assessment of \$92,443 or \$18.17 per square foot of living area, which falls within the range of the comparables contained in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
