

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Hoffmeyer  
DOCKET NO.: 17-22912.001-R-1  
PARCEL NO.: 05-18-107-030-0000

The parties of record before the Property Tax Appeal Board are Kevin Hoffmeyer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,348  
**IMPR.:** \$169,652  
**TOTAL:** \$200,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 5,984 square feet of living area. The dwelling is approximately 4 years old. Features of the home include a full basement with finished area, central air conditioning, five fireplaces and a 4-car garage. The property has a 25,290 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-09 dwellings of frame or masonry exterior construction ranging in size from 5,042 to 6,032 square feet of living area. The dwellings range in age from

12 to 94 years old. Each comparable has a full basement, two of which have finished area. Each comparable has central air conditioning, two or four fireplaces and a 2.5-car or a 3-car garage. The comparables have improvement assessments ranging from \$110,358 to \$166,229 or from \$19.57 to \$27.56 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$148,164 or \$24.76 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$200,000. The subject property has an improvement assessment of \$169,652 or \$28.35 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on one equity comparable that is located within a different neighborhood code than the subject and three equity comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 5,702 to 6,379 square feet of living area. The dwellings range in age from 4 to 9 years old. Each comparable has a full basement with finished area, central air conditioning, one to seven fireplaces and a 2-car to a 3-car garage. The comparables have improvement assessments ranging from \$196,473 to \$333,310 or from \$30.80 to \$54.10 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their older ages and/or smaller dwelling size when compared to the subject. The Board gives less weight to the board of review's comparable # 1 as it is located in another neighborhood code and, additionally, it appears to be an outlier with its significantly larger improvement assessment, without explanation, when compared to the subject and the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables as they are most similar to the subject property in location, design, age, dwelling size, basement and other features. These comparables have improvement assessments ranging from \$196,473 to \$203,379 or from \$30.80 to \$34.95 per square foot of living area. The subject's improvement assessment of \$169,652 or \$28.35 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
