

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Hansen  
DOCKET NO.: 17-22927.001-R-1  
PARCEL NO.: 05-17-401-016-0000

The parties of record before the Property Tax Appeal Board are Mike Hansen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,937  
**IMPR.:** \$86,267  
**TOTAL:** \$108,204

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 3,383 square feet of living area. The dwelling is approximately 92 years old. Features of the home include a full basement with finished area, central air conditioning, one fireplace and a 2.5-car garage. The property has an 11,250 square foot site located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-06 dwellings of masonry exterior construction ranging in size from 4,107 to 4,203 square feet of living area. The dwellings range in age from 79 to 103

years old. The comparables have partial or full basements with one comparable having finished area. Two comparables have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$94,790 to \$96,774 or from \$22.94 to \$23.50 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$78,384 or \$23.17 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$108,204. The subject property has an improvement assessment of \$86,267 or \$25.50 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that are located within the same neighborhood code as the subject. The board of review comparable #3 is the same property as its comparable #2. The comparables are improved with two-story class 2-06 dwellings of frame, masonry or stucco exterior construction ranging in size from 2,704 to 3,949 square feet of living area. The dwellings range in age from 98 to 103 years old. The comparables have partial or full basements with one comparable having finished area. Two comparables each have central air conditioning. Each comparable has one or two fireplaces and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$75,496 to \$116,755 or from \$26.00 to \$31.04 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration as one comparable was submitted twice. The Board gives less weight to the appellant's comparables and the board of review's comparable #4 due to their dissimilar ages and/or dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2 as they are more similar to the subject in location, design, exterior construction, age and dwelling size with varying degrees of similarity in other features. These comparables have improvement assessments of \$102,674 and \$116,755 or \$26.00 and \$31.04 per square foot of living area, respectively. The subject's improvement assessment of \$86,267 or \$25.50 per square foot of living area falls below the assessments of the two best comparables in this record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
