

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Denis Naylor
DOCKET NO.: 17-22968.001-R-1
PARCEL NO.: 05-27-401-012-0000

The parties of record before the Property Tax Appeal Board are Denis Naylor, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,600
IMPR.: \$58,158
TOTAL: \$76,758

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco exterior construction with 2,154 square feet of living area. The dwelling is approximately 101 years old. Features of the home include a partial unfinished basement, one fireplace and a 1.5-car garage. The property has a 9,300 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame or masonry exterior construction ranging in size from 1,992 to 2,160 square feet of living area. The comparables range in age

from 74 to 114 years old. Each comparable has an unfinished basement and a 1-car garage. Two comparables have central air conditioning and one or two fireplaces. The comparables have improvement assessments ranging from \$43,338 to \$54,324 or from \$21.07 to \$25.18 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$51,265 or \$23.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,758. The subject property has an improvement assessment of \$58,158 or \$27.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of masonry, stucco or frame and masonry exterior construction ranging from 2,016 to 2,155 square feet of living area. The comparables range in age from 103 to 108 years old. Each comparable has a full basement with one having finished area. Two comparables have central air conditioning. Each comparable has one fireplace. Two comparables have a two-car garage. The comparables have improvement assessments ranging from \$59,532 to \$68,878 or from \$29.29 to \$31.96 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 and the board of review's comparables #1, #3 and #4 due to their newer ages, lack of garages and/or finished basement when compared to the subject.

The Board finds the best evidence of assessment equity to be each party's remaining comparable as they are similar to the subject property in location, design, age, dwelling size and features. These comparables have improvement assessments of \$54,324 or \$60,337 and \$25.15 or \$29.29 per square foot of living area, respectively. The subject's improvement assessment of \$58,158 or \$27.00 per square foot of living area falls between the assessments of the two best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the

parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
