

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Offerle  
DOCKET NO.: 17-23062.001-R-1  
PARCEL NO.: 05-21-411-040-0000

The parties of record before the Property Tax Appeal Board are Judith Offerle, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,648  
**IMPR.:** \$78,689  
**TOTAL:** \$94,337

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,645 square feet of living area. The dwelling is approximately 93 years old. Features of the home include a full basement with finished area, two fireplaces and a two-car garage. The property has an 8,025 square foot site located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame and masonry exterior construction ranging in size from 3,161 to 4,089 square feet of living area. The dwellings range in age from

90 to 113 years old. Each comparable has a partial or a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The comparables have improvement assessments ranging from \$72,829 to \$93,556 or from \$22.85 to \$23.04 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$60,623 or \$22.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,337. The subject property has an improvement assessment of \$78,689 or \$29.75 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The Board finds that comparable #4 is the same property as its comparable #2. The comparables are improved with two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,589 to 2,786 square feet of living area. The dwellings are either 90 or 93 years old. Each comparable has a full unfinished basement, one or two fireplaces and a one-car or a two-car garage. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$83,580 to \$90,248 or from \$30.00 to \$33.79 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board recognizes there are eight comparables submitted by both parties, but only seven comparables are included in the Board's analysis since the board of review's comparables #2 and #4 are the same property. The Board gave less weight to the appellant's comparables due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables as they are most similar to the subject in location, design, dwelling size, and most features. These comparables have improvement assessments ranging from \$83,580 to \$90,248 or from \$30.00 to \$33.79 per square foot of living area. The subject's improvement assessment of \$78,689 or \$29.75 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the

parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
