

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Sarne
DOCKET NO.: 17-23115.001-R-1
PARCEL NO.: 05-07-111-040-0000

The parties of record before the Property Tax Appeal Board are Nancy Sarne, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,670
IMPR.: \$47,169
TOTAL: \$67,839

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,103 square feet of living area. The dwelling is approximately 62 years old. Features of the home include a full unfinished basement, central air conditioning and a 1.5-car garage. The property has a 13,780 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,659 to 3,098 square feet of living area. The dwellings range

in age from 47 to 60 years old. The comparables have partial or full basements, two of which have finished area. Each comparable has central air conditioning, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$48,464 to \$62,735 or from \$15.96 to \$22.00 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$40,798 or \$19.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,839. The subject property has an improvement assessment of \$47,169 or \$22.43 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with class 2-04 or class 2-05 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,952 to 2,194 square feet of living area. The dwellings range in age from 62 to 67 years old. The comparables have partial or full basements, one of which has finished area. One comparable has central air conditioning. Each comparable has one or two fireplaces and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$49,190 to \$64,395 or from \$25.20 to \$29.84 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board gave less weight to the appellants' comparables and the board of review's comparables #2 and #3 due to their dissimilar designs, newer ages and/or larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparable #1 as it is the only comparable truly similar to the subject property in location, design, age and dwelling size, except it has finished basement area, unlike the subject, suggesting a downward adjustment may be required to make the comparable more equivalent to the subject. Comparable #1 has an improvement assessment of \$64,395 or \$29.84 per square foot of living area. The subject's improvement assessment of \$47,169 or \$22.43 per square foot of living area falls below the assessment of the best comparable in this record based. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
