

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd Newberger
DOCKET NO.: 17-23119.001-R-1
PARCEL NO.: 05-33-400-084-0000

The parties of record before the Property Tax Appeal Board are Todd Newberger, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,218
IMPR.: \$63,075
TOTAL: \$70,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 3,071 square feet of living area. The dwelling is approximately 75 years old. Features of the home include a full unfinished basement, central air conditioning and a one-car garage. The property has a 6,875 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject and one of which is on the same street as the subject. The comparables consist of class 2-06 dwellings of frame or masonry exterior construction. The dwellings range in age from 87 to 128 years old and range in size

from 2,841 to 3,349 square feet of living area. Each comparable has a full basement, one of which has a formal recreation room. Two dwellings each have central air conditioning and a two-car garage. One comparable has two fireplaces. The comparables have improvement assessments ranging from \$50,443 to \$61,743 or either \$16.14 or \$18.44 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$54,265 or \$17.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,293. The subject property has an improvement assessment of \$63,075 or \$20.54 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject and on the same street as the subject. The comparables consist of two-story class 2-06 dwellings of masonry or frame or masonry exterior construction. The dwellings range in age from 74 to 86 years old and range in size from 2,789 to 3,005 square feet of living area. Three of the comparables have full or partial basements with a formal recreation room and one comparable has a concrete slab foundation. Three of the dwellings each have central air conditioning. Each comparable has one or two fireplaces and from a one-car to a two-car garage. The comparables have improvement assessments ranging from \$62,312 to \$67,107 or from \$20.93 to \$22.64 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables for the Board's consideration. The Board has given reduced weight to appellant's comparables #1 and #2 along with board of review comparable #4 due to significant differences in age and/or foundation type when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be appellant's comparable #3 and board of review comparables #1, #2 and #3 which are each located on the same street as the subject and present varying degrees of similarity to the subject in age, size and/or other features. These comparables had improvement assessments that ranged from \$61,743 to \$67,107 or from \$18.44 to \$22.64 per square foot of living area. The subject's improvement assessment of \$63,075 or \$20.54 per square foot of living area falls within the range established by the best comparables in this record, particularly after considering appropriate adjustments to the best comparables for differences in age, dwelling size and/or finished basement area. Based on this

record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
