

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sunan Devise  
DOCKET NO.: 17-23241.001-R-1  
PARCEL NO.: 14-19-423-039-0000

The parties of record before the Property Tax Appeal Board are Sunan Devise, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,000  
**IMPR.:** \$45,520  
**TOTAL:** \$60,520

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story multi-family dwelling of frame exterior construction with 2,950 square feet of living area. The dwelling is approximately 129 years old. Features of the home include a full basement with an apartment. The property has a 3,000 square foot site located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-11 multi-family dwellings of frame exterior construction ranging in size from 3,024 to 5,197 square feet of living area. The dwellings range in age from 122 to 137 years old. Each comparable has a full basement with an apartment and a 1-car to a 2-

car garage. Two comparables have central air conditioning. The comparables have improvement assessments ranging from \$27,428 to \$37,351 or from \$7.19 to \$9.07 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$24,662 or \$8.36 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,520. The subject property has an improvement assessment of \$45,520 or \$15.43 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story multi-family dwellings of frame exterior construction ranging in size from 2,272 to 2,688 square feet of living area. The dwellings are either 117 or 122 years old. The comparables have full basements, one of which has finished area. Two comparables each have central air conditioning. Each comparable has a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$39,755 to \$50,092 or from \$16.06 to \$18.64 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, as well as the board of review's comparable #1 due to their dissimilar dwelling sizes when compared to the subject. The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and board of review's comparables #2 and #3 as they are relatively similar to the subject in location, design and/or class, exterior construction, age, and dwelling size, but have features with varying degrees of similarity when compared to the subject. The board of review's comparables lack basement apartments requiring upward adjustments to them to make them more equivalent to the subject, but have central air conditioning and/or garages, unlike the subject, requiring downward adjustments for these differences. The best comparables have improvement assessments ranging from \$27,428 to \$50,092 or from \$9.07 to \$18.64 per square foot of living area. The subject property's improvement assessment of \$45,520 or \$15.43 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
