

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Price  
DOCKET NO.: 17-23407.001-R-1  
PARCEL NO.: 14-28-303-098-1002

The parties of record before the Property Tax Appeal Board are Cynthia Price, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,786  
**IMPR.:** \$42,214  
**TOTAL:** \$50,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit within a 16-year old, multi-story, three-unit condominium building. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of the overvaluation argument, the appellant submitted a copy of the settlement statement disclosing that the subject sold on January 20, 2017 for \$500,000. The settlement statement includes real estate broker fees.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$61,875. The assessment reflects a market value of \$618,750 when using the level

of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on two sales from units within the subject's building. These units sold for a total of \$1,375,000. The board adjusted the sales down by 10% for an adjusted value of \$1,237,500. The board of review then applies the percentage of ownership of these sales of 66.666% to arrive at a total value of the building of \$1,856,268. The board of review included the sale of the subject in January 2017 for \$500,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be sale of the subject in January 2017 for \$500,000. The Board finds the appellant submitted evidence of the sale and that real estate brokers were utilized in the sale. The board of review failed to object to the sale of the arm's length nature of the sale. In addition, the board of review listed this sale in its evidence. The subject's current assessment reflects a market value of \$618,750. In applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%, the Board finds the appellant showed by a preponderance of the evidence that the subject property was overvalued, and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
