

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pro Excavating Inc & Pro McConstruction
DOCKET NO.: 17-23414.001-R-1
PARCEL NO.: 14-29-306-024-0000

The parties of record before the Property Tax Appeal Board are Pro Excavating Inc & Pro McConstruction, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 28,262
IMPR.: \$ 94,238
TOTAL: \$122,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit located in one-year-old, three-story residential building. The property has a 4,416 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on January 26, 2017 for a price of \$1,225,000. The appellant requested a 10% personal property adjustment from the sale price and also submitted a 2015 sales ratio. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$172,941.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,567. The subject's assessment reflects a market value of \$2,425,670 when using the 2017 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information regarding the subject's 2017 sale. The board of review also argued that no weight should be given to appellant's sales ratio without a supporting study. In support, the board of review submitted the DOR studies for years 2010-2014

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value for the subject units to be the purchase of the subject properties in January, 2017 for a price of \$1,225,000. The appellant provided evidence demonstrating the sale of the subject unit. The Board finds the purchase price is above the market value reflected by the assessment. The Board further finds the appellant submitted an incorrect and unsupported assessment ratio study and gives this no weight.

Since the market value of this parcel has been established, the Cook County Real Property Assessment Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
