

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Betty Hruska
DOCKET NO.: 17-23588.001-R-1
PARCEL NO.: 23-27-417-018-0000

The parties of record before the Property Tax Appeal Board are Betty Hruska, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,331
IMPR.: \$53,015
TOTAL: \$71,346

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,704 square feet of living area. The dwelling is approximately 31 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, two fireplaces and a two-car garage. The property has a 61,105 square foot site and is located in Palos Park, Palos Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on five equity comparables. The comparables are located within the same neighborhood code as the subject and consist of one-story to two-story class 2-04 or class 2-78 dwellings of frame and masonry exterior construction. The dwellings range in age from 53 to 78 years old and range in

size from 3,563 to 3,903 square feet of living area. Four of the comparables have basements, two of which have formal recreation rooms, and one comparable has a crawl-space foundation. Four of the dwellings each feature central air conditioning and each comparable has one or two fireplaces and from a one-car to a three-car garage. The comparables have improvement assessments ranging from \$27,416 to \$39,168 or from \$7.65 to \$10.21 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$28,336 or \$7.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,346. The subject property has an improvement assessment of \$53,015 or \$14.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables consist of two-story class 2-78 dwellings of masonry or frame and masonry exterior construction. The dwellings range in age from 10 to 25 years old and range in size from 3,079 to 3,624 square feet of living area. Each comparable has a full unfinished basement, central air conditioning, one or two fireplaces and from a two-car to a three-car garage. The comparables have improvement assessments ranging from \$48,380 to \$57,985 or from \$14.94 to \$16.36 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables and to board of review comparable #3 due to differences in classification/story height, age and/or foundation type when compared to the subject's 31 year old class 2-78 dwelling with a full finished basement.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #4 which present varying degrees of similarity to the subject property. These comparables had improvement assessments that ranged from \$50,380 to \$57,985 or from \$14.94 to \$16.36 per square foot of living area. The subject's improvement assessment of \$53,015 or \$14.31 per square foot of living area falls within the range established by the best comparables in this record in terms of overall improvement assessment and below the range on a per-square-foot basis which appears to be logical given the subject is older than the best comparables and has more living area square footage than each of the best comparables. Based on this record and

after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
