

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Home Partners of America
DOCKET NO.: 17-23604.001-R-1
PARCEL NO.: 23-24-216-007-0000

The parties of record before the Property Tax Appeal Board are Home Partners of America, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,750
IMPR.: \$11,280
TOTAL: \$15,030

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 1,151 square feet of living area. The dwelling is approximately 55 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 6,250 square foot site and is located in Worth, Palos Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on five equity comparables located within the same neighborhood code as the subject. The

comparables consist of class 2-03 one-story dwellings of frame or masonry exterior construction. The dwellings range in age from 58 to 64 years old and range in size from 1,266 to 1,407 square feet of living area. Each comparable has either a concrete slab or crawl-space foundation. Two comparables each have central air conditioning and four comparables have from a one-car to a two-car garage. The comparables have improvement assessments ranging from \$10,715 to \$12,163 or from \$8.28 to \$8.69 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$9,530 or \$8.28 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,030. The subject property has an improvement assessment of \$11,280 or \$9.80 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables consist of one-story class 2-03 dwellings of masonry exterior construction. The dwellings range in age from 54 to 61 years old and range in size from 1,042 to 1,158 square feet of living area. Each comparable has a full unfinished basement and three of the comparables each have central air conditioning. Each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$11,805 to \$14,422 or from \$10.91 to \$13.84 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the six dwellings that each have central air conditioning which is not a feature of the subject dwelling. The comparables given reduced weight by the Board are appellant's comparables #3, #4 and #5 along with board of review comparables #1, #2 and #3.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 along with board of review comparable #4 which are similar to the subject in location, design, age, size and some features, although the appellant's comparables lack a basement like the subject and would require upward adjustments to make them more equivalent to the subject. These comparables had improvement assessments that ranged from \$8.28 to \$11.52 per square foot of living area. The subject's improvement assessment of \$9.80 per square foot of living area falls within the range established by the best comparables in this record and appears to be supported given the necessary upward adjustments to appellant's comparables #1 and #2. Based

on this record and after considering adjustments, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
