

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Smalls
DOCKET NO.: 17-23821.001-R-1
PARCEL NO.: 28-23-212-030-0000

The parties of record before the Property Tax Appeal Board are Mary Smalls, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,396
IMPR.: \$5,604
TOTAL: \$7,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 62 year old, one-story, single-family dwelling of frame construction with 1,816 square feet of living area. Features of the dwelling include a slab basement, two and one-half baths, and a one and one-half car garage. The property has a 7,980 square foot site and is located in Markham, Bremen Township, Cook County. The record does not disclose whether the subject was owner-occupied during the lien year. The subject is classified as a Class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested sale comparables. The appellant requested a total assessment reduction to \$3,940.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,805. The subject's assessment reflects a market value of \$98,050 or \$53.99 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables and sale data for comparable #2.

In rebuttal, the appellant stated that the best sale comparables are the appellant's evidence and that the board of review's equity evidence does not address the appellant's market value argument. The appellant also distinguished the board of review's sale comparable based on age. Lastly, the board of review's sale comparable supports an assessment reduction. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #3. These comparables are similar in location, amenities, stories, and age. These comparables sold for prices ranging from \$21.69 to \$53.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$53.99 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
