

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Home Partners of America  
DOCKET NO.: 17-23840.001-R-1  
PARCEL NO.: 28-36-221-045-0000

The parties of record before the Property Tax Appeal Board are Home Partners of America, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,038  
**IMPR.:** \$11,714  
**TOTAL:** \$14,752

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,077 square feet of living area. The dwelling is approximately 13 years old. Features of the home include a full unfinished basement, central air conditioning and a 2.5-car garage.<sup>1</sup> The property has an 8,681 square foot site located in Hazel Crest, Bremen Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity

<sup>1</sup> The appellant's Section V Grid analysis indicates a "1" or "2" for central air conditioning. The Board takes notice from the board of review's evidence that the subject has central air conditioning and that in the appellant's evidence that "1" indicates the presence of central air conditioning and "2" indicates its absence.

comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-78 dwellings of frame exterior construction ranging in size from 2,208 to 2,562 square feet of living area. The dwellings range in age from 25 to 56 years old. Three comparables have partial unfinished basements and one comparable has a concrete slab foundation. Two comparables each have central air conditioning. Three comparables each have one fireplace. Each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$9,577 to \$11,247 or from \$4.34 to \$4.49 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$9,014 or \$4.34 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,752. The subject property has an improvement assessment of \$11,714 or \$5.64 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story class 2-78 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,163 to 2,245 square feet of living area. The dwellings range in age from 10 to 22 years old. Each comparable has a partial or a full unfinished basement, central air conditioning and a 2-car garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$14,653 to \$15,484 or from \$6.54 to \$7.16 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their older ages and/or lack a basement when compared to the subject.

The board finds the best evidence of assessment equity to be the board of review's comparables as they have varying degrees of similarity to the subject in location, design, age, dwelling size and other features. These comparables have improvement assessments ranging from \$14,653 to \$15,484 or from \$6.54 to \$7.16 per square foot of living area. The subject's improvement assessment of \$11,714 or \$5.64 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
