

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Criselda Reyes  
DOCKET NO.: 17-23859.001-R-1  
PARCEL NO.: 28-09-102-008-0000

The parties of record before the Property Tax Appeal Board are Criselda Reyes, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,049  
**IMPR.:** \$22,210  
**TOTAL:** \$27,259

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,444 square feet of living area. The dwelling is approximately 36 years old. Features of the home include a partial unfinished basement, central air conditioning and a two-car garage. The property has a 13,465 square foot site and is located in Midlothian, Bremen Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on five equity comparables located within the same neighborhood code as the subject. The comparables consist of either one-story or two-story frame, masonry or frame and masonry dwellings with classifications of 2-04, 2-05, 2-06, 2-07 or 2-78. The homes range in age from 34

to 75 years old and range in size from 1,910 to 2,468 square feet of living area. Four of the comparables have partial basements, one of which has a formal recreation room, and one comparable has a crawl-space foundation. Four of the comparables feature central air conditioning and three of the comparables each have a fireplace. Each dwelling has either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$15,731 to \$21,984 or from \$7.10 to \$8.91 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$17,352 or \$7.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,259. The subject property has an improvement assessment of \$22,210 or \$9.09 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables consist of two-story frame and masonry dwellings with classification 2-78. The homes range in age from 16 to 35 years old and range in size from 2,322 to 3,000 square feet of living area. The comparables have either a full or partial basement, one of which has a formal recreation room. Each comparable has central air conditioning, a fireplace and either a two-car or a three-car garage. The comparables have improvement assessments ranging from \$21,645 to \$27,882 or from \$9.29 to \$9.54 per square foot of living area. Based on the foregoing evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1, #3, #4 and #5 due to differences in design/story height, classification, age and/or foundation type when compared to the subject dwelling. The Board has given reduced weight to board of review comparable #3 due to its larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #2 and the board of review comparables #1, #2 and #4 which are each similar to the subject in location, design/story height, classification, dwelling size and most features. These comparables had improvement assessments that ranged from \$21,645 to \$24,024 or from \$8.91 to \$9.54 per square foot of living area. The subject's improvement assessment of \$22,210 or \$9.09 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
