

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Grinnell  
DOCKET NO.: 17-25338.001-R-1  
PARCEL NO.: 22-35-206-007-0000

The parties of record before the Property Tax Appeal Board are Nancy Grinnell, the appellant, by attorney Scott L. David, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,301  
**IMPR.:** \$26,199  
**TOTAL:** \$34,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 3,162 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 3-car garage. The property has a 14,317 square foot site and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$345,000 as of January 1, 2014.

Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraised value.

The appellant's submission also revealed that the subject has a total assessment of \$46,340. The subject's assessment reflects a market value of \$463,400 or \$146.55 per square foot of living area, land included, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

The board of review submitted "Board of Review Notes on Appeal" for a property that is located in Palatine and is not the subject of this appeal. The comparables submitted in support of its contention of the correct assessment are dissimilar one-story dwellings that sold from January to December 2016 for prices ranging from \$115,000 to \$285,000 or from \$124.86 to \$290.82 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$345,000 as of January 1, 2014. The subject's assessment reflects a market value of \$463,400 or \$146.55 per square foot of living area, including land, which is above the appraised value. The Board gives less weight to the board of review's comparable sales due to their differences in location, style, size, age and features, when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
