

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Kannenberg
DOCKET NO.: 17-25467.001-R-1
PARCEL NO.: 16-30-315-026-0000

The parties of record before the Property Tax Appeal Board are Anthony Kannenberg, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,606
IMPR.: \$13,744
TOTAL: \$18,350

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,725 square foot parcel of land improved with an 87-year old, one and one-half story, masonry, multi-family dwelling containing 3,356 square feet of building area. The property is located in Berwyn, Berwyn Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed that the subject was purchased on December 7, 2015 for \$183,500.

In support of the equity argument, the appellant data on five comparables. These properties are described as two-story, masonry or frame and masonry, multi-family dwellings. They range: in

age from 76 to 94 years; in size from 3,014 to 3,389 square feet of building area; and in improvement assessment from \$4.96 to \$5.87 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$27,326 with an improvement assessment of \$22,720 or \$6.77 per square foot of building area. The total assessment reflects a market value of \$273,260 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four comparables. These properties are described as one or two-story, frame or masonry, multi-family dwellings. They range: in age from 61 to 101 years; in size from 2,742 to 3,260 square feet of building area; and in improvement assessment from \$6.62 to \$10.52 per square foot of building area. They sold from June 2015 to May 2016 for prices ranging from \$71.96 to \$116.43 per square foot of building area. The board of review also lists the sale of the subject in November 2015 for \$183,190.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in December 2015 for a price of \$183,500. The appellant submitted evidence of the sale of the subject while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review lists the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$183,500 as of the lien date and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. The subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
