

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angelo Laskaris
DOCKET NO.: 17-26198.001-R-1
PARCEL NO.: 14-29-112-021-0000

The parties of record before the Property Tax Appeal Board are Angelo Laskaris, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,286
IMPR.: \$ 60,475
TOTAL: \$ 76,761

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements. Improvement #1 is a two-story dwelling of frame construction with 1,932 square feet of living area. Improvement #1 is 125 years old. Features of Improvement #1 include a full unfinished basement. Improvement #2 is a one-story dwelling of frame construction with 1,386 square feet of living area. Improvement #2 is 125 years old. Features of Improvement #2 include a full unfinished basement. The property has a 3,016 square foot site, and is located in Chicago, Lake View Township, Cook County. Improvement #1 is classified as class 2-11 property, and Improvement #2 is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables for Improvement #1. These comparables sold between October 2015 and July 2017 for \$640,000 to \$850,000, or \$276.72 to \$365.26 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$61,707.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,761. Improvement #1 has an assessment of \$30,527, which reflects a market value of \$305,270, or \$158.01 per square foot of living area, including land, when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. Improvement #2 has an assessment of \$29,948, which reflects a market value of \$299,480, or \$216.08 per square foot of living area, including land, when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables for Improvement #1. These comparables sold between February 2015 and October 2016 for \$445,000 to \$840,000, or \$261.61 to \$456.52 per square foot of living area, including land. The board of review also submitted information on three equity comparables, and three sale comparables for Improvement #2. These comparables sold between August 2016 and December 2017 for \$575,000 to \$910,000, or \$488.95 to \$664.17 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value for Improvement #1 to be appellant's comparables #1 and #4, and board of review comparables #1, #2, #3, and #4. These comparables sold for prices ranging from \$261.61 to \$456.52 per square foot of living area, including land. Improvement #1's assessment reflects a market value of \$158.01 per square foot of living area, including land, which is below the range established by the best comparables in this record.

The Board finds the best evidence of market value for Improvement #2 to be appellant's board of review comparables #1, #2, and #3. These comparables sold for prices ranging from \$488.95 to \$664.17 per square foot of living area, including land. Improvement #2's assessment reflects a market value of \$216.08 per square foot of living area, including land, which is below the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
