

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Menegas
DOCKET NO.: 17-26346.001-R-1
PARCEL NO.: 05-31-229-059-0000

The parties of record before the Property Tax Appeal Board are William Menegas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,108
IMPR.: \$53,964
TOTAL: \$63,072

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,151 square feet of living area. The dwelling is 52 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace, and a two-car garage. The property has a 7,920 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales which are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,366

to 3,501 square feet of living area. The dwellings range in age from 16 to 61 years old and have a partial or full basement with two having finished area. Three comparables each have central air conditioning. Each comparable has one fireplace and a two-car or a three-car garage. The comparables have sale dates ranging from December 2015 through September 2016 for prices ranging from \$589,660 to \$770,900 or from \$164.24 to \$192.66 per square foot of living area, including land. Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$55,966.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,072. The subject's assessment reflects a market value of \$630,720 or \$200.17 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales which are located within the same neighborhood code as the subject property. The comparables are improved with either class 2-78 or class 2-04, 1.5-story or 2-story dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 1,811 to 3,680 square feet of living area. The dwellings range in age from 13 to 63 years old. Three comparables each have a full basement with one having finished area, and one comparable has a concrete slab foundation. Three comparables each have one or two fireplaces. Each comparable has central air conditioning and from a one-car to a three-car garage. The comparables have sale dates ranging from August 2015 through June 2016 for prices ranging from \$425,000 to \$880,900 or from \$230.26 to \$257.54 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 and the board of review comparables #1, #2 and #4 due to the dwellings' dissimilar design, age, and/or dwelling size when compared to the subject property.

The Board finds the best evidence of market value in the record to be the appellant's comparable sales #1 and #4 as well as the board of review comparable #3 which are most similar to the subject in location, age, dwelling size, and some features. These comparables sold from August 2015 through July 2016 for prices of \$620,000 and \$880,900 or from \$177.09 to \$254.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$630,720 or \$200.17 per square foot of living area, including land, which falls within the range

established by the most similar comparables in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
