

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick Leblebajian  
DOCKET NO.: 17-26354.001-R-1  
PARCEL NO.: 14-30-218-020-0000

The parties of record before the Property Tax Appeal Board are Nick Leblebajian, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,625  
**IMPR.:** \$90,226  
**TOTAL:** \$105,851

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 3,275 square feet of living area. The dwelling is approximately 13 years old. Features include a partial basement with finished area, central air conditioning, one fireplace, and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales which are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,187 to 3,000 square feet of living area. Three comparables each have a one-year old dwelling with a full

finished basement and two fireplaces. One comparable has a 16-year old dwelling with a concrete slab foundation. Each comparable has central air conditioning. Three comparables have either a one-car or a two-car garage. The comparables have sale dates ranging from January 2015 through June 2016 for prices ranging from \$550,000 to \$624,500 or from \$186.67 to \$285.55 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$71,698. The requested assessment would reflect a total market value of \$716,980 or \$218.93 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,851. The subject's assessment reflects a market value of \$1,058,510 or \$323.21 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales which are located within the same neighborhood code as the subject. The comparables are improved with similar class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,856 to 3,456 square feet of living area. The dwellings range in age from 4 to 21 years old. Features include full basements with three having finished area, central air conditioning, and a two-car garage. Three comparable each have two or three fireplaces. The comparables have sale dates ranging from August 2015 through September 2016 for prices ranging from \$1,087,000 to \$1,845,000 or from \$349.18 to \$533.85 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review comparable #3 due to the dwellings' newer ages when compared to the subject property. In addition, the appellant's comparables have considerably smaller dwelling sizes and/or lack a basement or a garage, unlike the subject.

The Board finds the best evidence of market value in the record to be the board of review comparables #1, #2 and #4. These comparables are similar to the subject in location, design, age, dwelling size, foundation, and other features. These three comparables sold from August 2015 through July 2016 for prices ranging from \$1,087,000 to \$1,137,500 or from \$349.18 to

\$398.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,058,510 or \$323.21 per square foot of living area, including land, which falls below the range of the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
