

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irvin B. Schmakel  
DOCKET NO.: 17-26514.001-R-1  
PARCEL NO.: 23-03-410-006-0000

The parties of record before the Property Tax Appeal Board are Irvin B. Schmakel, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,774  
**IMPR.:** \$8,832  
**TOTAL:** \$13,606

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame and masonry construction with 1,200 square feet of living area. The dwelling is 54 years old. Features of the home include a full unfinished basement, central air conditioning and a one-car garage. The property has a 9,095 square foot site and is located in Hickory Hills, Palos Township, Cook County.

The appellant contends assessment inequity regarding the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$18,658 and disclosed the subject's improvement assessment of \$13,884 or \$11.57 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$8,832 or \$7.36 per square foot of living area.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$7.36 to \$11.31 per square foot of living area. The subject's improvement assessment of \$11.57 per square foot of living area falls above the range established by the only comparables in this record. The Board gives most weight in its analysis to appellant's comparable #3 which is identical to the subject in most respects.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted commensurate with the appellant's request based on the evidence presented.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
