

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerard Kenny
DOCKET NO.: 17-26521.001-R-1
PARCEL NO.: 23-26-300-017-0000

The parties of record before the Property Tax Appeal Board are Gerard Kenny, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,760
IMPR.: \$24,523
TOTAL: \$36,283

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 1,872 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 39,200 square foot site and is located in Palos Park, Palos Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$36,283 and indicated the subject has an improvement assessment of \$24,523 or \$13.10 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$18,477 or \$9.87 per square foot of living area.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$9.87 to \$12.77 per square foot of living area. The subject's improvement assessment of \$13.10 per square foot of living area falls above the range established by the only comparables in this record. However, the Board further finds the comparables submitted by the appellant were dissimilar to the subject in design and/or foundation when compared to the subject. Therefore, the Board is unable to make a meaningful comparison between the assessments of the comparables and the subject.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is not warranted as the appellant has not shown by clear and convincing evidence that the subject's assessment is inequitable.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
