

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tim Baker  
DOCKET NO.: 17-26628.001-R-1  
PARCEL NO.: 18-19-203-009-0000

The parties of record before the Property Tax Appeal Board are Tim Baker, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,858  
**IMPR.:** \$38,262  
**TOTAL:** \$51,120

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 38-year-old, two-story dwelling with 3,195 square feet of living area of frame construction. Features of the home include a central air conditioning and a fireplace. The property has a 19,782 square foot site and is located in Lyons Township, Cook County. The subject has a total assessment of \$68,451 which reflects a market value of \$684,510 or \$214.24 per square foot of living area. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four suggested comparable sales. These properties can be described as two-story, single-family dwellings that range: in age from 40 to 62-years old; in size from 2,527 to 3,659 square feet of living area; in sale date from May, 2016 to September, 2017; and in sale price from \$141.84 to \$164.23 per square feet of living area.

The board of review did not submit its “Board of Review Notes on Appeal” nor any evidence in support of its assessed valuation of the subject property.

**Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be all of the appellant's comparable sale. These comparables sold for prices ranging from \$141.84 to \$164.23 per square foot of living area, including land. The subject's assessment reflects a market value of \$214.24 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
