

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Music Cazim
DOCKET NO.: 17-26660.001-R-1
PARCEL NO.: 08-07-209-010-0000

The parties of record before the Property Tax Appeal Board are Music Cazim, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,406
IMPR.: \$19,594
TOTAL: \$24,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single family dwelling of masonry construction containing 1,976 square feet of living area. The dwelling was constructed in 1975. Features of the dwelling include a full basement, two baths, and a two-car garage. The property has a 3,125 square foot site and is located in Rolling Meadows, Elk Grove, Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on June 17, 2016 for \$240,000. This evidence included a copy of the settlement statement and the MLS listing sheet. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; sale price; the parties to the transaction were not related; the mortgage was not assumed; and that the subject was advertised for sale with a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$24,000.

The pleadings disclose a total assessment for the subject of \$26,612. The subject's assessment reflects a market value of \$266,120 or \$134.68 per square foot of living, including land, when applying the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review did not submit any evidence and was held in default. The board of review's motion to vacate the default was denied by the Board on September 10, 2019.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in June 2016 for \$240,000 is a "compulsory sale." The listing sheet disclosed the subject was an REO sale. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. However, sufficient market data was not submitted to challenge the subject's sale. The appellant and the board of review did not submit "documentation of not fewer than three recent sales of suggested comparable properties..." 86 Ill.Admin.Code §1910.65(c)(4). Therefore, the Board finds the best evidence of market value to be the undisputed purchase of the subject property in June 2016 for \$240,000 or \$121.46 per square foot of living area, including land. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction including disclosing that the parties to the transaction were not related, that the property was sold using a realtor, and that it was advertised for sale on the open market. In further support of the transaction, the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record, the Board finds a reduction in the subject's assessment value per the appellant's requested value to \$24,000.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
