

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Panagiotis Panagiotopoulos
DOCKET NO.: 17-27111.001-R-1
PARCEL NO.: 23-13-107-003-0000

The parties of record before the Property Tax Appeal Board are Panagiotis Panagiotopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,491
IMPR.: \$14,373
TOTAL: \$19,864

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry construction with 1,257 square feet of living area. The dwelling is 48 years old. Features of the home include a partial basement that is finished, central air conditioning and an attached two-car garage. The property has an 8,787 square foot site and is located in Palos Hills, Palos Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had lots ranging in size from 6,650 to 10,715 square feet of land area and were improved with similar class 2-34 dwellings of masonry or frame and masonry construction. The homes ranged in size from 1,264 to 1,367

square feet of living area and ranged in age from 40 or 46 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from October 2015 to November 2017 for prices ranging from \$165,000 to \$200,000 or from \$129.11 to \$146.31 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$17,517. The requested assessment would reflect a total market value of \$175,170 or \$139.36 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,864. The subject's assessment reflects a market value of \$198,640 or \$158.03 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had lots of either 8,515 or 10,722 square feet of land area and were improved with similar multi-level dwellings of frame or frame and masonry construction. The homes ranged in size from 1,097 to 1,257 square feet of living area and ranged in age from 46 to 49 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from March to August 2016 for prices ranging from \$203,000 to \$315,000 or from \$162.14 to \$250.60 per square foot of living area, including land.

Based on this evidence the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sale #4, due to its sale occurring greater than 14 months prior to the January 1, 2017 assessment date at issue. The Board finds the parties' remaining sales were similar to the subject in location, lot size, style, age, size and most features. The parties' best comparables had sale dates ranging from March 2016 to November 2017 and sold for prices ranging from \$165,000 to \$315,000 or from \$129.11 to \$250.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$198,640 or \$158.03 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified. These sales also occurred proximate in time to the January 1, 2017 assessment date at issue.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
