

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Spencer LeRoy
DOCKET NO.: 17-27401.001-R-1
PARCEL NO.: 18-18-405-009-0000

The parties of record before the Property Tax Appeal Board are Spencer LeRoy, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,729
IMPR.: \$56,771
TOTAL: \$67,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,330 square foot parcel of land improved with a 10-year old, two-story, masonry, single-family dwelling containing 2,961 square feet of building area. The property is located in Western Springs, Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed the purchase of the subject on September 12, 2014 for a price of \$675,000. The appellant also submitted a 2014 assessment ratio grid and requested a reduction based on this evidence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$67,500. The total assessment reflects a market value of \$675,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four sales comparables. These properties are described as two-story, masonry or frame and masonry, single-family dwellings. They range in age from four to 13-years old, contain from 2,673 to 3,186 square feet of building area. They sold from February 2016 to October 2017 for prices ranging from \$232.17 to \$306.91 per square foot of building area. This board of review also listed the sale of the subject in September 2014 for \$675,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2014 for a price of \$675,000. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction. Moreover, the board of review listed this sale in its evidence and based the assessment on this sale. Based on this record the Board finds the subject property had a market value of \$675,000 as of the lien date. The Board gives no weight to the appellant's incorrect and unsupported assessment ratio evidence. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply which reflects the subject current assessment as established by the county. Therefore, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
