

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krzysztof Mietus  
DOCKET NO.: 17-27756.001-R-1  
PARCEL NO.: 19-33-312-016-1004

The parties of record before the Property Tax Appeal Board are Krzysztof Mietus, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$962  
**IMPR.:** \$5,538  
**TOTAL:** \$6,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 41-year-old, two-story, residential condominium building of masonry construction. The building contained eight residential condominium units. The subject owned 12.50% of the common elements. The property is situated on 13,993 square feet in Burbank, Stickney Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$65,000 as of January 1, 2017. The appraisal disclosed the subject dwelling was tenant-occupied during the lien year. The appellant requested a total assessment reduction to \$6,500 when applying the

2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,358. The subject's assessment reflects a market value of \$83,580 when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sale for one unit in the building. This units sold in 2007 for a total consideration of \$146,000. The board of review applied a 1.00% market value reduction for personal property to arrive at an adjusted market value of \$144,540 of the one unit sold. The unit sold comprised 12.50% of the common elements of the building. The result was a full value of the property at \$1,156,320.

In rebuttal, the appellant argued that the comparable properties submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics and were based on raw, unadjusted sales data. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$65,000 as of the assessment date at issue. Since market value has been established, the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
