

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nadia Yagyib
DOCKET NO.: 17-27809.001-R-1
PARCEL NO.: 12-28-221-046-1004

The parties of record before the Property Tax Appeal Board are Nadia Yagyib, the appellant(s), by attorney Mary Kate Gorman, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$610
IMPR.: \$4,890
TOTAL: \$5,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 53 year old, condominium unit in an 8 unit residential condominium building. The property is a class 2-99 residential condominium under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance") and is located in Franklin Park, Leyden Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on October 12, 2016 for \$55,000. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date, sale price, that the parties to the transaction were not related, that the subject was advertised for sale on the MLS using a realtor for nine days, and the seller's mortgage was not assumed. In support, the appellant submitted the settlement statement. The appellant's evidence included a 2018 Cook County Assessor's decision letter reducing the subject's 2018 assessment to \$5,452.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,800. The subject's assessment reflects a market value of \$58,000 when applying the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of the assessment, the board of review submitted two sale comparables, including sale date, price, and percentage of ownership. The board of review analyst stated that the most appropriate way to determine the subject's market value is to analyze the recent sale prices of units within the subject building along with their allocated percentage of ownership and submitted a condominium analysis which resulted in a final full value of \$58,002. The evidence included two sale comparables which sold in 2016 for \$62,500 and \$55,000 with 25% percentage of interest and no adjustment factor. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2016 for \$55,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction including disclosing that the parties to the transaction were not related, that the property was sold using a realtor, and that it was advertised for sale on the open market. In further support of the transaction, the appellant submitted copies of the settlement statement. Based on this record, the Board finds the subject property had a market value of \$55,000 as of January 1, 2017. Since market value has been determined, the level of assessments for class 2, residential property of 10% shall apply as determined by the Cook County Classification Ordinance.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
