

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Zdrok CHI 2 SF, LLC
DOCKET NO.: 17-28648.001-R-1
PARCEL NO.: 28-17-212-012-0000

The parties of record before the Property Tax Appeal Board are Kenneth Zdrok CHI 2 SF, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,010
IMPR.: \$12,066
TOTAL: \$15,076

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,008 square feet of living area. The dwelling is 49 years old. Features of the home include a full unfinished basement and a 2-car garage. The property has an 8,027 square foot site and is located in Oak Forest, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are class 2-03 dwellings of frame construction that range in size from 1,195 to 1,265 square feet of living area. The homes range in age from 45 to 60 years old. Two comparables have full unfinished basements, one comparable has a finished partial basement and

one comparable has a crawl-space foundation. One comparable has central air conditioning, two comparables each have a fireplace and three comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$9,635 to \$10,894 or from \$7.80 to \$8.75 per square foot of living area. Based on this evidence the appellant requested that the subject's assessment be reduced to \$11,427.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,076. The subject property has an improvement assessment of \$12,066 or \$11.97 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on eight comparable properties that are located within the same neighborhood code as the subject. The comparables are one-story class 2-03 dwellings of frame or frame and masonry construction that range in size from 1,008 to 1,231 square feet of living area. The homes range in age from 48 to 57 years old. Five comparables have full basements, three of which have finished area, and three comparable have finished partial basements. Five comparables have central air conditioning, one comparable has a fireplace and each comparable has either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$12,076 to \$16,464 or from \$11.98 to \$14.73 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends improvement assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of twelve comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #3 due to its crawl-space foundation, unlike the subject. The Board finds the parties' remaining comparables are similar to the subject in location, building classification and some features. These comparables have improvement assessments ranging from of \$9,635 to \$16,464 or from \$7.80 to \$14.73 per square foot of living area. The Board further finds that the board of review's comparable #2, which is located on the same block as the subject and is nearly identical to the subject in all aspects, has an improvement assessment of \$12,076 or \$11.98 per square foot of living area. The subject's improvement assessment of \$12,066 or \$11.97 per square foot of living area falls within the range established by the parties' best comparables and below the improvement assessment of the most similar comparable in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
