

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nabeel Razick
DOCKET NO.: 17-29457.001-R-1
PARCEL NO.: 23-01-416-006-0000

The parties of record before the Property Tax Appeal Board are Nabeel Razick, the appellant(s), by attorney Christopher M. Caira, of KBC Law Group in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,290
IMPR.: \$26,967
TOTAL: \$31,257

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single family dwelling of masonry construction containing 1,258 square feet of living area. The dwelling was constructed in 1998. Features of the dwelling include a full finished basement, one and one-half baths, and a two-car garage. The property has a 7,800 square foot site in Bridgeview, Palos Township, Cook County. The subject is a Class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables that sold from 1995 to 2011. The appellant requested the subject's total assessment be reduced to \$26,368.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,257. The subject's assessment reflects a market value of \$312,570 or \$248.47 per square foot of living area, including land, when applying the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the comparables submitted by the parties were sold from six to 22 years prior to the 2017 lien date and thus, do not accurately reflect the subject's 2017 market value. Based on this record, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
