

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Kubala  
DOCKET NO.: 17-30072.001-R-1  
PARCEL NO.: 08-29-402-019-0000

The parties of record before the Property Tax Appeal Board are Peter Kubala, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,660  
**IMPR.:** \$30,840  
**TOTAL:** \$37,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling with brick and vinyl exterior construction containing 2,933 square feet of living area. The dwelling is 54 years old. Features of the home include a slab foundation, central air conditioning, three fireplaces and an attached 2-car garage. The property has a 14,800 square foot site and is located in Elk Grove Village, Elk Grove Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property has a market value of \$375,000 as of January 1, 2017.

The appellant's appraisal was completed using the sales comparison approach to value property in estimating a market value for the subject property. The appellant's appraiser selected three comparable properties that are located from .01 to .89 of a mile from the subject property. The comparables have sites ranging in size from 11,204 to 20,200 square feet of land area that are improved with one-story or two-story dwellings that range in size from 1,565 to 3,810 square feet of living area. The comparables range in age from 15 to 60 years old and have other features with varying degrees of similarity to the subject. The comparables sold from August 2016 to September 2017 for prices ranging from \$300,000 to \$473,000 or from \$124.15 to \$191.69 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's assessment be reduced to \$37,500.

The appellant's submission revealed that the subject has a total assessment of \$47,500. The subject's assessment reflects a market value of \$475,000 or \$161.95 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)).

The appellant submitted rebuttal withdrawing the previous request for a hearing and requesting that the appeal be written on the evidence in the record.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property has a market value of \$375,000 as of January 1, 2017. The subject's assessment reflects a market value of \$475,000 or \$161.95 per square foot of living area, including land, which is above the appraised value. Based on the evidence in this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
