

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dimitrius Tingas  
DOCKET NO.: 17-30385.001-R-1  
PARCEL NO.: 08-24-411-013-0000

The parties of record before the Property Tax Appeal Board are Dimitrius Tingas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,512  
**IMPR.:** \$23,688  
**TOTAL:** \$28,200

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 2,115 square feet of living area of frame and masonry construction. The dwelling is approximately 53 years old. Features of the home include a partial basement with finished area, central air conditioning and a two-car detached garage. The property has a 9,025 square foot site and is located in Des Plaines, Elk Grove Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant through counsel contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code and three comparables are within 1.20 miles from the subject property. The comparables were improved with class 2-78 dwellings of frame and masonry exterior construction that ranged in size from 2,010 to 3,234 square feet of living area. The dwellings

range in age from 51 to 56 years old. The comparables have sites ranging in size from 8,125 to 9,893 square feet of land area. Each comparable has a full or partial basement with two comparables having finished area, three comparables have central air conditioning, three comparables have one or two fireplaces and each comparable has a two-car attached garage. The comparables sold from August 2015 to April 2016 for prices ranging from \$190,000 to \$291,000 or from \$89.98 to \$123.46 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced to \$22,548.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,200. The subject's assessment reflects a market value of \$282,000 or \$133.33 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with two-story dwellings of frame or frame and masonry exterior construction that ranged in size from 2,065 to 2,416 square feet of living area. The dwellings range in age from 47 to 51 years old. The comparables have sites ranging in size from 8,064 to 9,515 square feet of land area. Each comparable has a full or partial basement with two comparables having finished area, central air conditioning, two comparables have a fireplace and each comparable has a two-car garage. The comparables sold from May 2014 to May 2016 for prices ranging from \$305,000 to \$399,000 or from \$141.56 to \$191.28 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable #1 based on its larger dwelling size and appellant's comparable #3 due to its lack of central air conditioning when compared to the subject. The Board gave less weight to the appellant's comparables #2 and #3 along with the board of review comparables #1, #2 and #4 as these comparables sold from May 2014 to October 2015, which are dated and less likely to be indicative of fair market value as of the subject's January 1, 2017 assessment date, respectively.

The Board finds the best evidence of market value to be the remaining comparables. These comparables had varying degrees of similarity in location, site size, age, dwelling size and features. These comparables sold for prices ranging from \$190,000 to \$399,000 or from \$94.53 to \$191.28 per square foot of living area, including land. The subject's assessment reflects a

market value of \$282,000 or \$133.33 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
