

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Prokopis Kougias  
DOCKET NO.: 17-30393.001-R-1  
PARCEL NO.: 08-09-317-006-0000

The parties of record before the Property Tax Appeal Board are Prokopis Kougias, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C., in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,812  
**IMPR.:** \$33,317  
**TOTAL:** \$38,129

Subject only to the State multiplier as applicable.

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,062 square feet of living area. The dwelling is approximately 39 years old. Features of the home include a unfinished partial basement, central air conditioning, one fireplace and a two-car attached garage. The property has a 8,750 square foot site and is located in Arlington Heights, Elk Grove Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-78 dwellings of frame and masonry exterior construction that ranged in size from 2,805 or 3,668 square feet of living area. The dwellings range in age from 47 to 50 years old. The comparables have sites ranging in size from 8,750 to 17,391 square feet of land area. Each comparable has a full or partial unfinished basement, three comparables have central air conditioning, three comparables have one or two fireplaces and each comparable has a two-car garage. The comparables sold from August 2015 to March 2017 for prices ranging from \$325,000 to \$405,000 or from \$110.41

to \$124.78 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced to \$31,067.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,129. The subject's assessment reflects a market value of \$381,290 or \$124.52 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code and within the subarea or one-fourth of a mile from the subject property. The comparables were improved with two-story dwellings of frame and masonry exterior construction that contain either 2,805 or 2,999 square feet of living area. The dwellings range in age from 45 to 50 years old. The comparables each have a site of 8,750 square feet of land area. Each comparable has a full or partial unfinished basement, central air conditioning, a fireplace and a two-car garage. The comparables sold in May or July 2016 for prices ranging from \$422,500 to \$459,000 or from \$140.88 to \$163.64 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable #2 based on its considerably larger site size. The Board gave less weight to the appellant's comparable #4 as this sale occurred in August 2015, which is dated and less likely to be indicative of fair market value as of the subject's January 1, 2017 assessment date.

The Board finds the best evidence of market value are the appellants comparables #1 and #3 along with the board of review comparables. These comparables have varying degrees of similarity when compared to the subject in design, age, dwelling size and features. These comparables sold for prices ranging from \$325,000 to \$459,000 or from \$115.86 to \$163.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$381,290 or \$124.52 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
