

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Faye Drebos  
DOCKET NO.: 17-30394.001-R-1  
PARCEL NO.: 08-15-211-028-0000

The parties of record before the Property Tax Appeal Board are Faye Drebos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,960  
**IMPR.:** \$25,373  
**TOTAL:** \$29,333

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,216 square feet of living area. The dwelling is approximately 46 years old. Features of the home include a unfinished partial basement, central air conditioning and a two-car garage. The property has a 7,200 square foot site and is located in Des Plaines, Elk Grove Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-78 dwellings of frame exterior construction that ranged in size from 2,304 to 3,094 square feet of living area. The dwellings range in age from 43 to 48 years old. The comparables each have a site of 7,200 square feet of land area. Each comparable has a full or partial unfinished basement, central air conditioning, one comparable has a fireplace and each comparable has a two-car garage. The

comparables sold from June 2015 to April 2016 for prices ranging from \$270,000 to \$385,000 or from \$117.19 to \$125.87 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,333. The subject's assessment reflects a market value of \$293,330 or \$132.37 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties consisting of three equity comparables identified as #1, #2 and #4. As equity data is not responsive to the appellant's overvaluation argument, this data will not be further examined.

Comparable #3 consists of a sale property located within the same neighborhood code and in the same block as the subject. The lot contains 7,200 square feet of land area and is improved with a two-story dwelling of frame and masonry exterior construction. The comparable contains 2,216 square feet of living area and is 47 years old. The dwelling has a partial unfinished basement, central air conditioning and a two-car garage. The comparable sold in January 2016 for a price of \$384,000 or \$173.29 per square foot of living area, land included.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparables sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 and #4 as these sales occurred in August and June of 2015, which is dated and less likely to be indicative of fair market value as of the subject's January 1, 2017 assessment date, respectively.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 along with the board of review comparable #3. These most similar comparables sold from January to April 2016 for prices ranging from \$270,000 to \$384,000 or from \$117.19 to \$173.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$293,330 or \$132.37 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject,

the Board finds the subject is not overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
