

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dimitrios Benetatos  
DOCKET NO.: 17-30397.001-R-1  
PARCEL NO.: 08-14-129-024-0000

The parties of record before the Property Tax Appeal Board are Dimitrios Benetatos, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,700  
**IMPR.:** \$20,201  
**TOTAL:** \$27,901

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,278 square feet of living area. The dwelling is approximately 41 years old. Features of the property include a partial unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 14,000 square foot site and is located in Mount Prospect, Elk Grove Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The Property Tax Appeal Board takes notice that the subject property was the subject matter of an appeal before the Board the prior year under Docket No. 16-29120.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$27,901 based on the evidence of record. Furthermore, the record reveals that the subject property is an owner-occupied residence, as the appeal petition disclosed the subject's address is the same as the appellant's address.

For this 2017 appeal the appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales classified as class 2-78 properties improved with dwellings of frame or frame and masonry construction ranging in size from 2,264 to 2,854 square feet of living area. The dwellings range in age from 45 to 52 years old. The sales occurred from January 2015 to November 2016 for prices ranging from \$257,500 to \$350,000 or from \$108.78 to \$130.01 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,596. The subject's assessment reflects a market value of \$325,960 or \$143.09 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-78 property of 10%. The notes on appeal also disclosed that the 2016 tax year was the first year of the triennial general assessment period

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

### **Conclusion of Law**

The Property Tax Appeal Board finds the subject property was the subject matter of an appeal before this Board a prior tax year under Docket Number 16-29120.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$27,901. The Property Tax Appeal Board finds the record shows the subject property is located in Elk Grove Township, Cook County, in which the triennial general assessment period began with the 2016 tax year and continues through the 2018 tax year. In addition, there is no evidence in the record that indicates the subject subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or the decision of the Property Tax Appeal Board is reversed or modified upon review. As a result, the Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and that the 2016 and 2017 tax years are within the same general assessment period. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review or that the subject property sold in an arm's-length transaction establishing a different fair cash value. For

these reasons, the Board finds its 2016 decision reflecting an assessment of \$27,901 shall be carried forward to the subsequent 2017 tax year.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
