

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Juan Medina
DOCKET NO.: 17-30459.001-R-1
PARCEL NO.: 08-29-304-002-0000

The parties of record before the Property Tax Appeal Board are Juan Medina, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,350
IMPR.: \$36,384
TOTAL: \$43,734

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 2,487 square feet of living area. The dwelling is approximately 40 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 14,000 square foot site and is located in Elk Grove Village, Elk Grove Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-78 dwellings of frame and masonry exterior construction that range in size from 2,393 to 3,100 square feet of living area. The dwellings range in age from 39 to 44 years old. The comparables

have sites ranging in size from 13,616 to 17,400 square feet of land area. Each comparable has a full or partial basement with one having finished area, central air conditioning, a fireplace and a two-car garage. The comparables sold from May 2015 to July 2016 for prices ranging from \$370,000 to \$430,000 or from \$138.71 to \$165.47 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,734. The subject's assessment reflects a market value of \$437,340 or \$175.85 per square foot of living area, including land, for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with three sales being located in the same neighborhood code and two of these comparables are on the same block as the subject. The comparables are improved with two, two-story dwellings and two, one-story dwellings of masonry or frame and masonry exterior construction that range in size from 2,051 to 2,633 square feet of living area. The dwellings range in age from 42 to 44 years old. The comparables have sites ranging in size from 9,450 to 14,392 square feet of land area. Each comparable has an unfinished basement, two comparables have central air conditioning, three comparables have a fireplace and three comparables have a two-car garage. The comparables sold from February 2015 to December 2016 for prices ranging from \$385,000 to \$558,000 or from \$184.48 to \$211.93 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable #2 along with the board of review comparable #4 as these comparables sold in May and February 2015, which are dated and less likely to be indicative of fair market value as of the subject's January 1, 2017 assessment date, respectively. The Board gave less weight to the appellant's comparable #3 along with the board of review comparable #3, based on their dissimilar dwelling size or dissimilar design when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #4 along with the board of review comparable sales #1 and #2. These comparables have varying degrees of similarity in site size, age, dwelling size and some features. These comparables sold for prices ranging from \$387,000 to \$558,000 or from \$157.70 to \$211.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$437,340 or \$175.85 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparable sales

for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
