

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC
DOCKET NO.: 17-30552.001-R-1
PARCEL NO.: 18-13-403-029-0000

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,139
IMPR.: \$9,615
TOTAL: \$11,754

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a class 2-03 dwelling of frame exterior construction with 1,282 square feet of living area. The dwelling is approximately 99 years old. Features of the building include a full unfinished basement and a 2-car garage. The property has a 3,720 square foot site and is located in Summit, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the same neighborhood code as the subject. The comparables are improved with similar class 2-03 dwellings of frame exterior construction ranging in size from 1,312 to 1,740 square feet of living area. The comparables range in age from 78 to 111 years old. The comparables have improvement assessments ranging from \$9,342 to \$11,087 or from

\$6.35 to \$7.12 per square foot of living area. The comparables have full basements, one of which has finished area. Two comparables have central air conditioning. Three comparables have either a 2-car or a 2.5-car garage. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$8,820 or \$6.88 per square foot of living area.

The appellant's submission included a copy of the "Cook County Board of Review" final decision dated January 19, 2018 disclosing the subject has a total assessment of \$14,910. The submission by the appellant also depicted that the subject has an improvement assessment of \$12,771 or \$9.96 per square foot of living area.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity was submitted by the appellant. The Board gives less weight to comparables #1 and #4 due to their finished basement area and/or lack of a garage. The appellant's comparables #2 and #3 are similar to the subject in location, design, exterior construction, dwelling size, basement and some features. The two best comparables have improvement assessments of \$10,887 and \$11,087 or \$6.99 and \$7.05 per square foot of living area of living area. The subject's improvement assessment of \$12,771 or \$9.96 per square foot falls above the assessments of the two best comparables in this record.

The Board finds the board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). After analysis of the appellant's data and considering adjustments to the comparables when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
