

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Dalmangas  
DOCKET NO.: 17-30626.001-R-1  
PARCEL NO.: 09-23-103-102-0000

The parties of record before the Property Tax Appeal Board are Peter Dalmangas, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,078  
**IMPR.:** \$57,922  
**TOTAL:** \$69,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 5,281 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a three-car garage. The property has a 14,295 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 8, 2017 for a price of \$690,000. Appellant's counsel partially completed Section IV – Recent Sale Data of the Residential Appeal form disclosing that the property was purchased from Vincent and Josephine Safratello, the sale was not between family or related corporations and was sold by a Realtor but

was not advertised for sale. Appellant's counsel submitted a Master Statement and Closing Statement which show the sale price as \$690,000 and that a commission of \$20,000 was paid to Platinum Realty Incorporated, along with a copy of the Warranty Deed and the Owner's Title Insurance policy. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price of \$690,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,425. The subject's assessment reflects a market value of \$904,250 or \$171.23 per square foot of living area, land included, when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables consist of two-story masonry dwellings that range from 18 to 87 years old. The dwellings range in size from 5,203 to 5,485 square feet of living area. Each dwelling has a basement, two with finished area, central air conditioning, one or two fireplaces and a two-car to a three-car garage. The dwellings are situated on sites ranging in size from 11,963 to 17,500 square feet of land area and are each located in Park Ridge. The properties sold from March 2014 to January 2016 from \$1 to \$1,200,000 or from \$0.00 to \$230.64 per square foot of living area. Based on the above evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board gave little weight to the four comparables sales submitted by the board of review as the 2014 sales of comparables #1 through #3 are dated relative to the January 1, 2017 assessment date at issue and as comparable #4 sold for \$1 which would not be reflective of the fair market value of a 5,485 square foot dwelling located in Maine Township.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2017 for \$690,000. The appellant provided evidence demonstrating the sale had some elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and that the property was sold using a Realtor but may not have been advertised for sale. In further support of the transaction, the appellant submitted copies of the closing statement showing the sale price as \$690,000 and that a commission of \$20,000 was paid to Platinum Realty Incorporated. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of

Docket No: 17-30626.001-R-1

\$690,000 as of January 1, 2017, and, thus, a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
