

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Panagiotis Metropoulos
DOCKET NO.: 17-30652.001-R-1
PARCEL NO.: 09-12-311-012-0000

The parties of record before the Property Tax Appeal Board are Panagiotis Metropoulos, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,893
IMPR.: \$23,607
TOTAL: \$29,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story frame and masonry dwelling with 1,555 square feet of living area. The dwelling is approximately 60 years old and features a partial basement with finished area, and a one-car garage. The property has a 7,605 square foot site and is located in Glenview, Maine Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same neighborhood code as the subject property and within approximately 1.2 miles of the subject. The comparables have sites that range in size from 8,450 to 8,635 square feet of land area and are improved with similar class 2-07 dwellings of frame or frame and masonry construction. The dwellings range in size from 1,464 to 1,823 square feet of living area and are 56 or 60 years old. The comparables

each have a partial basement, one of which has finished area. Two comparables have central air-conditioning and two comparables each have a fireplace. Each comparable has one-car or one and one-half car garage. The properties sold from August 2015 to February 2016 for prices ranging from \$255,000 to \$320,000 or from \$145.30 to \$175.53 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$25,160. The requested assessment would reflect a total market value of \$251,600 or \$161.80 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,500. The subject's assessment reflects a market value of \$295,000 or \$189.71 per square foot of living area, including land, when applying the 2017 three-year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties, only one of which contained sale information. This comparable is located in the same neighborhood code and on the same block as the subject. The comparable is a two-story frame and masonry dwelling that is 59 years old and contains 1,491 square feet of living area. The dwelling has a partial basement with finished area, central air conditioning, a fireplace and a one-car garage. The dwelling is situated on 7,605 square foot site and sold in January 2016 for \$388,000 or \$260.23 per square foot of living area. Based on the above evidence, the board of review requested confirmation of the subject's assessment.

The board of review also submitted information on three equity comparables which is not responsive to appellant's overvaluation argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five suggested comparable sales for the Board's consideration. The Board gave less weight to appellant's comparable sales #1, #2 and #3 as their 2015 sales are dated relative to the January 1, 2017 assessment date at issue.

The Board finds the best evidence of market value to be appellant's comparable sale #4 and the board of review's one comparable sale. These comparables are similar to the subject property in location, age, design, and most features and sold in February and January 2016 for \$255,000 or \$388,000 or \$174.18 and \$260.23 per square foot of living area, including land, respectively. The

subject's assessment reflects a market value of \$295,000 or \$189.71 per square foot of living area, including land, which is supported by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
