

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Demetrios Karkazis
DOCKET NO.: 17-30676.001-R-1
PARCEL NO.: 09-35-119-001-0000

The parties of record before the Property Tax Appeal Board are Demetrios Karkazis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,745
IMPR.: \$62,856
TOTAL: \$71,601

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story masonry dwelling with 3,245 square feet of living area. The dwelling is approximately 4 years old and features a concrete slab foundation, central air-conditioning, two fireplaces, and a two-car garage. The property has a 9,717 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables have sites that range in size from 6,600 to 8,850 square feet of land area and are improved with similar class 2-78 dwellings of frame or masonry construction. The dwellings range in size from 2,840 to 3,798 square feet of living area and range in age from 1 to 32 years old. The comparables each have a full basement, one of which

has finished area, central air-conditioning, a fireplace, and a two-car or two and one-half car garage. The properties sold from February 2015 to January 2017 for prices ranging from \$416,000 to \$789,500 or from \$129.27 to \$207.87 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$58,270. The requested assessment would reflect a total market value of \$582,700 or \$179.57 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,601. The subject's assessment reflects a market value of \$716,010 or \$220.07 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties, although only comparables #2 and #4 contain sale information and will be considered in the Board's comparable sales analysis. These two comparables are located in the same neighborhood code as the subject and are improved with similar class 2-78 two-story masonry dwellings that are one-year old or four years old. The dwellings contain 2,972 or 3,331 square feet of living area and are situated on sites containing 7,500 or 7,440 square feet of land area. Each dwelling has a full basement, one with finished area, central air conditioning, two fireplaces, and a two-car garage. The dwellings sold in September 2014 and January 2016 for \$285,000 and \$1,100,000 or for \$95.90 and \$330.23 per square foot of living area, land included, respectively. Based on the above evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six suggested comparable sales for the Board's consideration. The Board gave less weight to appellant's comparable sales #1, #2 and #4 and board of review comparable sale #2 as their 2014 and 2015 sales are dated relative to the January 1, 2017 assessment date at issue.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sale #4. These comparables are similar to the subject property in location, age, design, and most features although each comparable has a full basement dissimilar to the subject which has a concrete slab foundation. These two comparables sold in January 2017 and January 2016 for \$789,500 and \$1,100,000 or \$207.87 and \$330.23 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$716,010

or \$220.07 per square foot of living area, including land, which is below the value of the best comparable sales in this record but is supported given the subject's inferior concrete slab foundation. After considering adjustments to the comparables for any differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
